Mr. Leslie Luciano  
Director  
Fusionworks

Dear Mr. Luciano:

We would like to acknowledge the excellence service that Fusionworks gave us during the upgrading of Financials and the implementation of Accounts Payables. The project was finished on time and your support afterwards has been very efficient. We are very pleased with the performance of both systems.

You have a great work team and we would definitely consider Fusionworks for future projects in our Company.

Sincerely,
