Mr. Jorge Mejia
Director
Fusionworks, Inc.

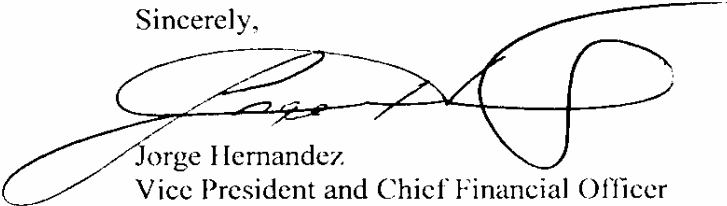

Dear Mr. Mejia,

On behalf of all the staff at Onelink Communications, I would like to thank you for the services and support rendered by your firm during the implementation of Microsoft Business Solution-Great Plains. Without your continued support we would not have been able to successfully complete this project.

The solution implemented by your firm has dramatically improved our operations. This project has helped our company become more efficient and it had a dramatic impact in the way we manage our business.

You have an excellent group of professionals that demonstrated their outstanding skills throughout the project. The dedication of your staff definitely exceeded our expectations. They were reliable, knowledgeable and respectful. We would definitely consider your firm for future projects.

Sincerely,

Jorge Hernandez
Vice President and Chief Financial Officer
